**It is a quality of life, not a quantity of time.**

**Salvation is not resuscitation; it is resurrection**

The lost sinner is not sick or weak;

*he is dead.* (Ephesians 2:1)

**Believing Beyond Books!**

**v.30** *"Now Jesus did many other signs in the presence of the disciples, which are not written in this book;*

**Quote:** We must not look at Thomas and the other disciples and envy them, as though the power of Christ's resurrection could never be experienced in our lives today. *That was why John wrote this Gospel*—so that people in *every* age could know that Jesus is God and that faith in Him brings everlasting life.

It is not necessary to "see" Jesus Christ in order to believe. Yes, it was a blessing for the early Christians to see their Lord and know that He was alive; but that is not what saved them. They were saved, not by seeing, but by believing. The emphasis throughout the Gospel of John is on *believing*. There are nearly 100 references in this Gospel to believing on Jesus Christ.

You and I today cannot see Christ, nor can we see Him perform the miracles (signs) that John wrote about in this book. But the record is there, and that is all that we need. "So then faith cometh by hearing, and hearing by the word of God" ([Rom. 10:17](#); and note [1 John 5:9-13](#)). As you read John's record, you come face to face with Jesus Christ, how He lived, what He said, and what He did. All of the evidence points to the conclusion that He is indeed God come in the flesh, the Saviour of the world.

The signs that John selected and described in this book are proof of the deity of Christ. They are important. But sinners are not saved by believing in miracles; they are saved by believing on Jesus Christ. Many of the Jews in Jerusalem believed on Jesus because of His miracles, but He did not believe in them! ([John 2:23-25](#)) Great crowds followed Him because of His miracles ([John 6:2](#)); but in the end, most of them left Him ([John 6:66](#)). Even the religious leaders who plotted His death believed that He did miracles, but this "faith" did not save them ([John 11:47ff](#)).

Faith in His miracles should lead to faith in His Word, and to personal faith in Jesus as Saviour and Lord.

All of the basic facts are here for us to read and consider. There is sufficient truth for any sinner to believe and be saved!

The *subject* of John's Gospel is "Jesus is the Christ, the Son of God." He presented a threefold proof of this thesis: our Lord's works, our Lord's walk, and our Lord's words.

John was not content simply to explain a subject. He was an evangelist who wanted to achieve an object. He wanted his readers to believe in Jesus Christ and be saved! He was not writing a biography to entertain or a history to enlighten. He was writing an evangel to change men's lives.

(everyday!)

*Therefore, if anyone is in Christ, he is a new creation. The old has passed away; behold, the new has come. **18**All this is from God, who through Christ reconciled us to himself and gave us the ministry of reconciliation; **19**that is, in Christ God was reconciling the world to himself, not counting their trespasses against them, and entrusting to us the message of reconciliation. **20**Therefore, we are ambassadors for Christ, God making his appeal through us. We implore you on behalf of Christ, be reconciled to God. **21**For our sake he made him to be sin who knew no sin, so that in him we might become the righteousness of God.*

## ***Repent AND Believe!***
